

What are they and Why you should use them

SAP Services and Support October, 2022

**PUBLIC** 

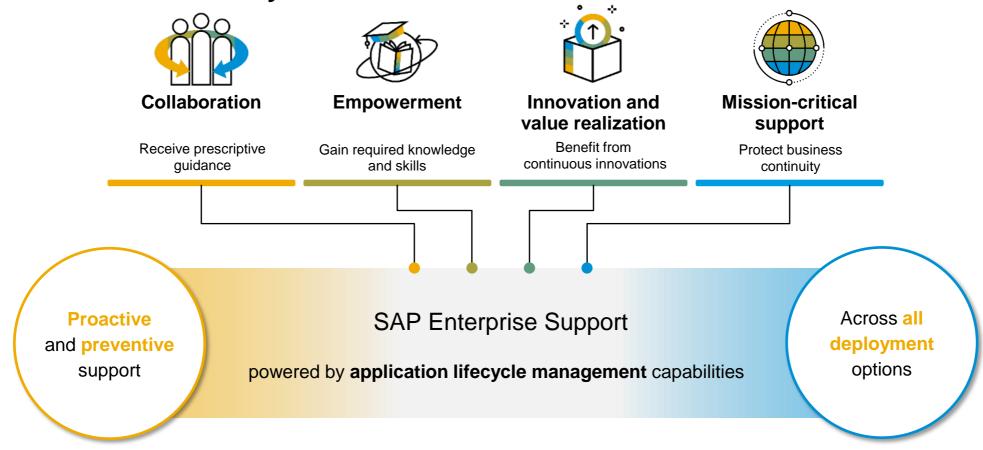

## **SAP Enterprise Support**

## **Establish the foundation for your success**

SAP Enterprise Support helps you address the digital skills gap and build the know-how you need to thrive in the digital economy by providing high-impact empowerment and collaboration programs such as SAP Enterprise Support Academy and SAP Enterprise Support value maps. Utilizing SAP Learning Hub as the delivery platform, both programs leverage a learning environment that is scalable, intuitive, social, and collaborative, bringing SAP much closer to understanding and fulfilling your needs.

**SAP Enterprise Support value maps** – an empowerment and support program, which leads you through the knowledge, skills, experts and services needed to address business challenges and adopt intelligent technologies. Learn more <u>here</u>.

### **Program Offerings**

- Prescriptive guidance Structured content enables guided journey, simplification, and accelerated consumption of content
- Expert access SAP experts provide prescriptive guidance, best practices and technology insight
- Social Collaboration Forums allow you to exchange ideas and best practices with SAP experts and peers
- Empowerment Interactive learning formats to empower you with the knowledge and skills for realizing your deployment strategy

### **User Benefits**

- Advance digital skill level with interactive learning formats
- Achieve deployment and operational goals
- Maximize the value of your SAP solutions
- Reduce training expenditures
- Get quick advice form SAP experts and peers
- Easy access to latest news and releases
- **Access** to virtual events with leading experts
- Record of learning accomplishments
