basis

Change Freezes Hold Back The Business

Upgrade and maintain S/4		Change Freeze!
Migrate to S/4		Change Freeze!
Migrate to the cloud		Change Freeze!
Upgrade existing systems		Change Freeze!

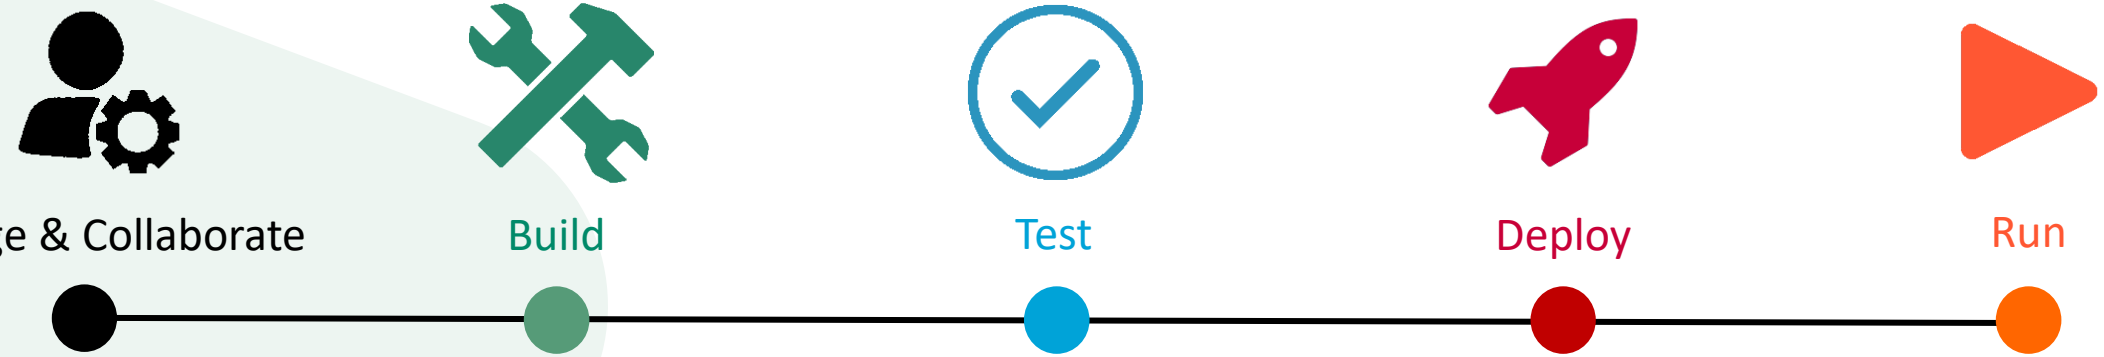
The N+N Challenge

How do you keep track of all changes?

How do you identify conflicts?

How do you synchronize changes across tracks?

Bring DevOps to SAP



Requirements & Backlog
- ActiveControl

Continuous Integration
- ActiveControl

Robotic testing
- Testimony

Continuous Delivery
- ActiveControl

ITSM & Agile
- Azure DevOps
- JIRA
