Welcome,
we're glad you're here!

ASUG | Tennessee Chapter Meeting

Code of Conduct

ASUG strives to ensure that everyone feels welcome and safe at every event. By participating in our Events, all participants, speakers, exhibitors, sponsors, media representatives, service providers, vendors, contractors, and others agree to abide by this Code of Conduct.

All determinations of appropriate or inappropriate behavior are in the sole discretion of ASUG and our decisions will be final.

Expected Behavior
Be considerate, respectful, and kind to others. Refrain from demeaning, discriminatory, or harassing behavior and speech. Spam, or repeated contact of Participants that have requested no contact from another Participant is strictly prohibited. Participants should be mindful of any copyright laws, music licensing etc., and not violate any terms or conditions related to such.

The full Code of Conduct can be viewed at: https://www.asug.com/code-of-conduct, or accessed by scanning the QR Code

Violations of the Code of Conducts should be reported to communties@asug.com.

Steve Green

Vice President, Information Technology, Bryce Corporation

With over 40 years of experience in IT, I've been in most areas at one time or another. A Developer, Business Analyst, Network Administrator/Engineer, a Security Administrator, and Management/Leadership. I've been with Bryce for 23 years beginning in the Infrastructure area, adding Basis shortly after joining. I've worked in our local County Government, a local bank, the University of Memphis, Environmental and Safety Consulting and now Manufacturing. I've been a member of ASUG for a long time but only gotten involved directly in the last 2-3 years.

I have BS in Engineering Technology, Computer Systems from the University of Memphis. Began in IT while in College (working as a student in the local Computer Systems Department). Worked for years in Service Organizations (to become less of a geek), including, The Junior Chamber of Commerce, SIM (Society for Information Management), PMI Memphis, Germantown Kiwanis, University of Arkansas Enterprise Services Advisory Council, Shelby Youth Sports, and Memphis Institute for Leadership Education (MILE) – Mentor and Advisory Board.

Personally, I enjoy spending time with my wife, my kids (4) and grandkids (4), tennis (only on TV now) and golf.

Kejun Cai

I have 26+ year experiences in IT area since 1996. I have been working for Eastman Chemical Company for 21 years where I have gained my SAP experiences in such areas as manufacturing, quality management, EHS(Environment, Health, and Safety) management, production planning. I am a SAP certified associate in ABAP, QM, LE&WM, PP&MFG. Have been serving for ASUG probably since 2011. Like kickboxing and BJJ and watching sports on TV. Enjoy cooking.

I have BS and MS in Mechanical Engineering in China and MS in Computer Science in USA. I have been working in IT area with 15+ years in SAP and 10+ years in Microsoft technologies since 1996. I was a Microsoft certified professionals (MCP, MCSE, MCSD, and MCDBA). I am a SAP certified associate in ABAP, QM, LE&WM, PP&MFG. Have been serving for ASUG probably since 2011. Currently work as a principal systems analyst for Eastman Chemical Company. I have been working in the design and development of SAP solutions in such areas as manufacturing, quality management, EHS(Environment, Health, and Safety) management, production planning.

ASUG

Justin Rogers

Hello my name is Justin Rogers and I'm representing Oak Ridge National Laboratory. I received my B.S. and M.S. in Computer Science from the University of TN, Knoxville; my SAP journey began as an graduate intern and currently finds me as the SAP Technical Architect at the same company where my responsibilities range from development activities to technical guidance for upper management to architecting & implementing technical solutions.

ORNL is in the midst of a hybrid landscape transformation with our implementation of products like SuccessFactors and Ariba into our SAP ECC landscape as well as non-SAP cloud products; our next major project will be upgrading our ECC core to S/4 HANA.

Outside of work I enjoy spending time with my family, music (I have a very eclectic taste!), and the NBA (Go Grizz!).

Please feel free to reach out to me directly, rogersjn@ornl.gov, or via LinkedIn!
