Code of Conduct

ASUG strives to ensure that everyone feels welcome and safe at every event. By participating in our Events, all participants, speakers, exhibitors, sponsors, media representatives, service providers, vendors, contractors, and others agree to abide by this Code of Conduct.

All determinations of appropriate or inappropriate behavior are in the sole discretion of ASUG and our decisions will be final.

Expected Behavior
Be considerate, respectful, and kind to others. Refrain from demeaning, discriminatory, or harassing behavior and speech. Spam, or repeated contact of Participants that have requested no contact from another Participant is strictly prohibited. Participants should be mindful of any copyright laws, music licensing etc., and not violate any terms or conditions related to such.

The full Code of Conduct can be viewed at: https://www.asug.com/code-of-conduct, or accessed by scanning the QR Code

Violations of the Code of Conducts should be reported to communties@asug.com.

What to Expect with the SAP S/4HANA Adoption Pathway

Welcome to the SAP S/4HANA Adoption Pathway, designed to help you make the best decisions for your organization as you map your SAP S/4HANA project.

We've curated a collection of content that will guide your organization through 10 key stages. These stages center on building your SAP S/4HANA project plan and getting your business case approved. To help you navigate, we've outlined the key personas that each module is built for and what they can expect to learn. Feel free to follow the path or filter this content by the topics and personas most relevant to you.
