# COE/OTHER ITEMS FROM

Asug COE/EA summit  
Newtown Square, SAP NA HQ  
April 2023

**Volvo Group**

Department name | Document name/ Issuer | Classification

2023-06-27

# Background to event and where to find information

Volvo remains engaged with Asug  
(Americas SAP Users Group)

“regional chapter” presentation  
2022 June

“virtual” Asug wide presentation  
2022 Fall

Invitation (pushed from SAP) for  
Asug COE/EA Summit

# Key findings/observations

We are not alone in our transition/modernization struggles

COE now is not the COE from 5 years back

Innovation – struggle is real

Sustainability – here now but will only increase

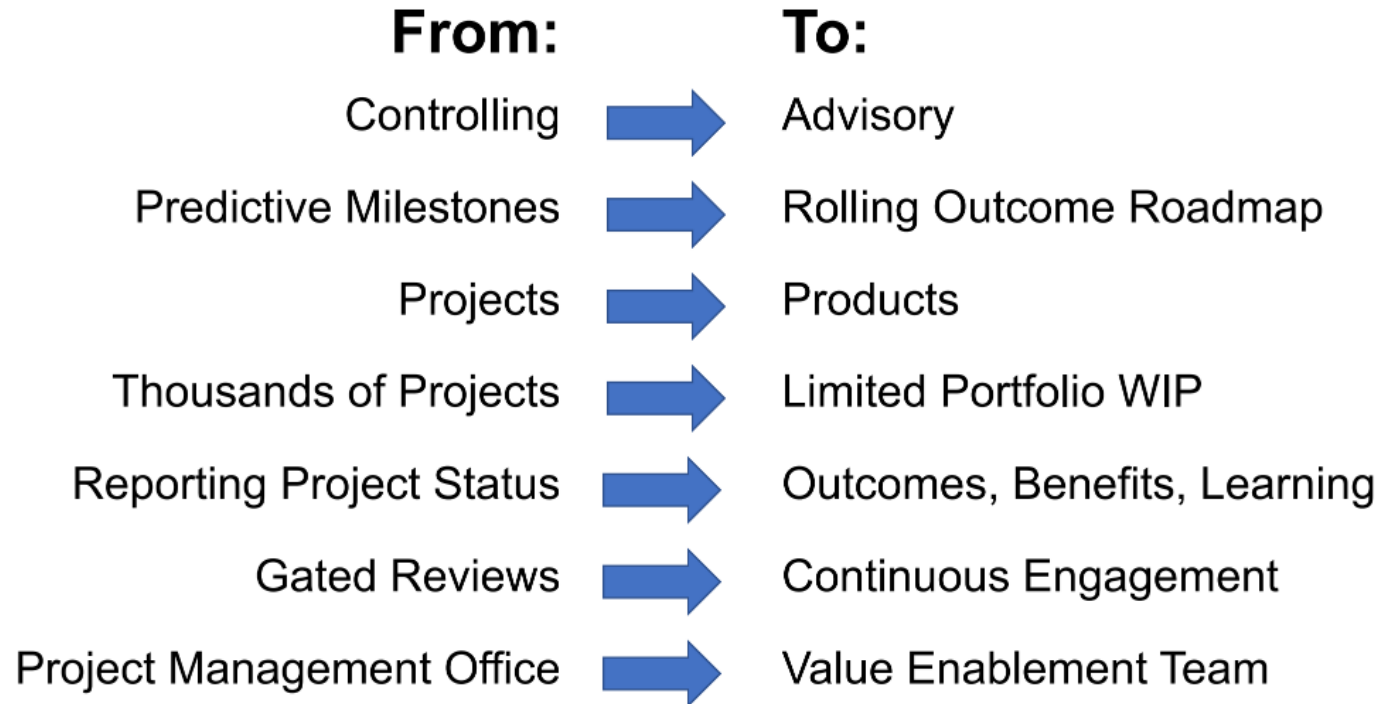

BTP – “Finally” a better slide to show it...

Learning (and a bit of planning) is key

# COE now is not the COE from 5 years back

## Key Takeaway: Successful CoEs Adapt to the New Reality

# Innovation – struggle is real

COEs Have a Mandate to Proactively Mine What SAP is Bringing to Market

## SAP Roadmaps Consumer Industry Example

3 Year Horizon

<b>S/4 HANA</b> 723 Planned Enhancements	<b>Industry Specific*</b> 2,685 Planned Enhancements
<b>Supply Chain Management</b> 798 Planned Enhancements	<b>SAP Business Technology Platform</b> 935 Planned Enhancements

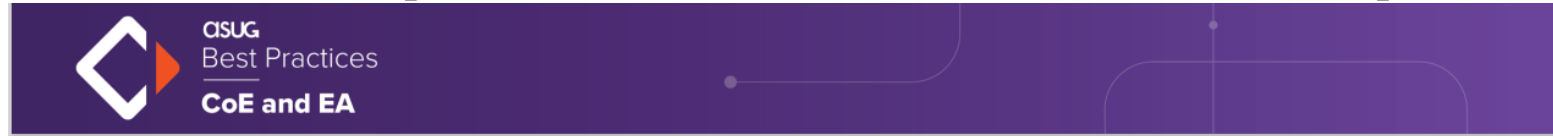

## WWW.SAP.IO

We have helped 330+ startups get started in the SAP Ecosystem

Helping innovators start-up & scale with SAP

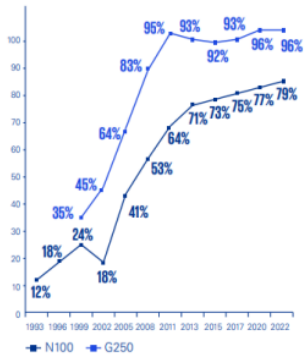

# Sustainability – here now but will only increase

Today, we are on the brink of **adopting mandatory & regulated ESG reporting**

## Reporting Trends

Figure 1: Global sustainability reporting rates (1993–2022)

Base: 5,800 N100 companies and 250 G250 companies  
Source: KPMG Survey of Sustainability Reporting 2022, KPMG International, September 2022

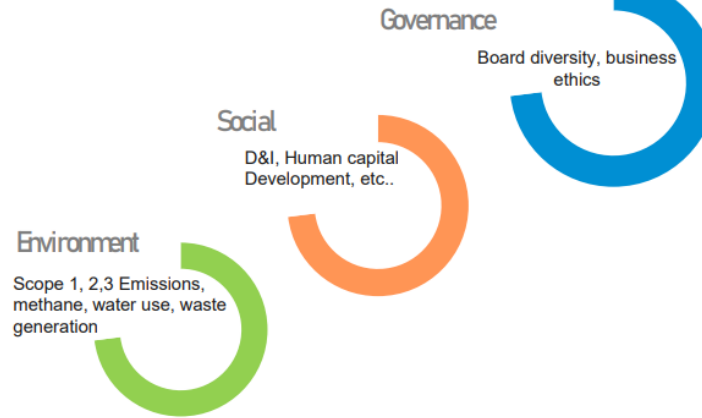

Source: [KPMG Survey Sustainability Reporting 2022](#)

**G250:** World's largest companies by revenue based on the 2021 Fortune 500 ranking  
**N100:** Worldwide sample of the top 100 companies by revenue in 58 countries, territories & jurisdictions

**96%**  
of G250 companies report on sustainability

**25%+**  
spend on sustainability related digital technology by 2024

## Sustainability Reporting

**“From executive remuneration to financing, from supply chain to M&A, reliable ESG data is essential to running a business today”**

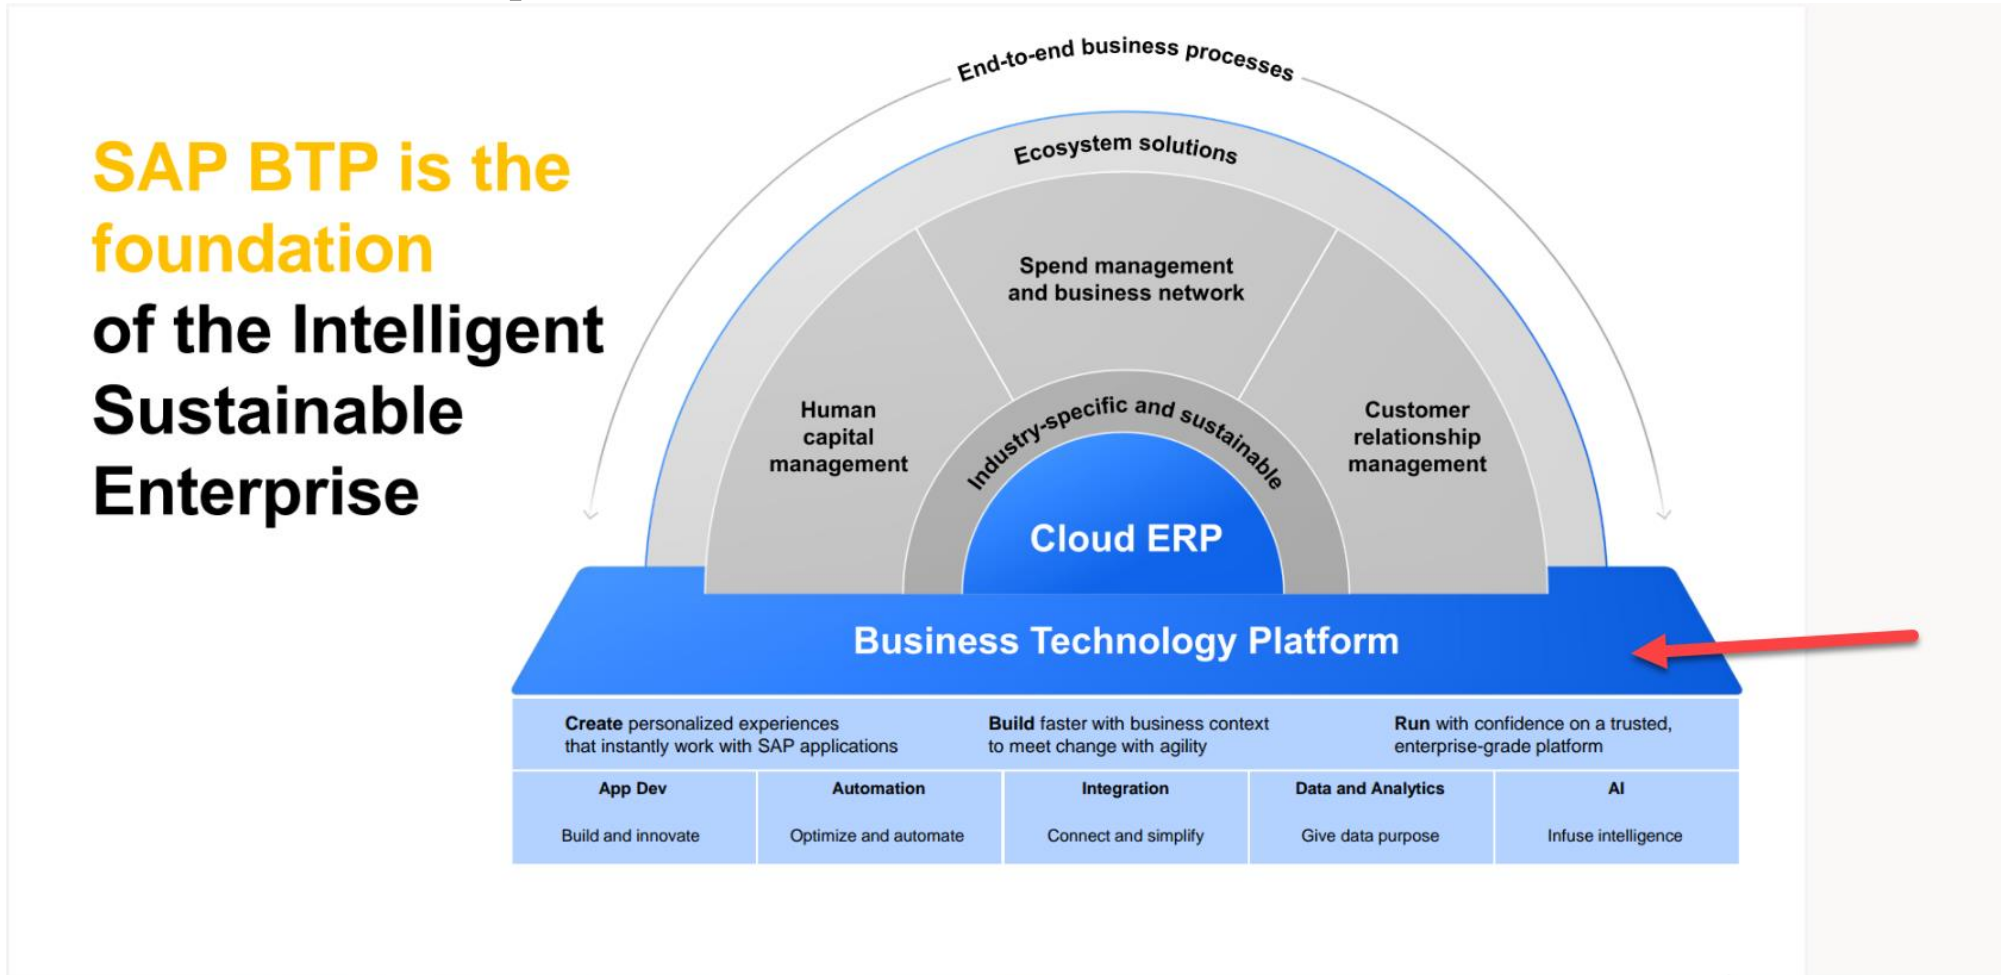

# SAP Solution/Items - Sustainability

## SAP Solution Offerings Sustainability Big Picture

# BTP – “Finally” a better slide to show it...

# Learning (and a bit of planning) is key Up to us, learn, push back on items?

## SAP User Enablement (for me also)

- Constant Learning – both Business and IT
- Leverage SAP free and pre-paid items:
  - Open.sap.com
  - Learning.sap.com
  - SAP Communities
  - SAP Learning Hub – in various flavors:
    - Support Edition for all Volvo Group
    - Solution Edition – need to explore
    - Professional Edition – for select use cases
  - Leverage user groups – Asug, Sapsa, etc.
  - Leverage SAP Companion standard content as well as enhancing/augmenting using SAP Enable Now

# Bonus slide – how most people see SAP
