What to Expect with the SAP S/4HANA Adoption Pathway

Welcome to the SAP S/4HANA Adoption Pathway, designed to help you make the best decisions for your organization as you map your SAP S/4HANA project.

We've curated a collection of content that will guide your organization through 10 key stages. These stages center on building your SAP S/4HANA project plan and getting your business case approved. To help you navigate, we've outlined the key personas that each module is built for and what they can expect to learn. Feel free to follow the path as fits this content to the roles and processes most relevant to you.

An all-new resource for your SAP technology journey!

ASUG Member Pathfinder is a collection of curated content and experiences to help lead you and your organization to SAP success.
